DRASA

RE: YOUR LETTER DATED 21 July 2019

I refer to the request from DRASA for the SAEF to approach the FEI to accredit 40km rides presented by DRASA to be approved to qualify for novice rides in ERASA. I also refer to your referral to the FEI statutes as below.

“The FEI according to their Rules states in article 816 that Novice Qualifying for endurance is administered by each National Federation and they do not interfere with National Federations but rather give guidance. Due to that Rule we hereby request that yourself as the National Federation for South Africa investigate this request and report back to DRASA executive”

The SAEF wish to advise you as follows:

When DRASA applied to be registered as a new discipline of the SAEF it was made very clear to you that no rides presented by DRASA may be in conflict of ERASA and that no rides of DRASA will be acknowledged by the SAEF or ERASA as official qualifications for any ERASA qualifications. The status quo remains.

At an SAEF Executive meeting held on Saturday the 27th of July your letter was tabled and discussed and it was once again confirmed that the original criteria for the approval of DRASA as a member of the SAEF will remain unchanged and not deviated from.

We therefore request that you make this clear to all your members and request them to refrain from making statements on social media stating that 40km DRASA rides will be accepted by the SAEF and ERASA as a qualifying distance for novice registration in ERASA.

Furthermore it is imperative for you to note that no 80, 120 or 160 km rides may be presented by DRASA as this will be in direct conflict with ERASA.

We trust that you will reprimand your members spreading this false information.

Kind Regards

Wessel Strauss
